Dear Sir:

Applicants appreciate the allowance of this case. Applicants note that the stated reasons for allowing the case do not track the language of at least some of the claims. Further, some claims are believed allowable for reasons in addition to, or instead of, what the Examiner provided in the Reasons for Allowance. Additionally, page 2 of the Notice of Allowability refers to pages 7-9 of a response filed by Applicants. The undersigned is unclear to what response the Examiner is referring. At any rate, allowance of the claims is appreciated.

Respectfully submitted,

/Jonathan M. Harris/
